

Interagency Committee of State Employed Women (ICSEW) Policy

Policy: 700

Policy Name: Professional Development Subcommittee

PURPOSE

The Professional Development subcommittee shall encourage professional growth by providing training, networking, and educational information by providing opportunities for state-employed women to develop as leaders, professionals, and individuals.

SCOPE

This policy applies to the ICSEW Professional Development subcommittee, the subcommittee chair, and its members.

POLICY

The Professional Development subcommittee will:

- Provide professional development speakers for general membership meetings and the annual leadership conference.
- Research, develop, and share relevant information to assist state employees' pursuit of promotional and career development opportunities.
- Provide training materials and content related to professional development and leadership (i.e., articles, newsletter, social media, and ICSEW website).
- Strengthen ICSEW's relationships with other professional women's organization.
- Support ICSEW members in mentoring activities.
