The Interagency Committee of State Employed Women (ICSEW) is hosting our annual leadership and professional development conference, **Lessons in Leadership: Designing your Future**, on August 16, 2016, at Pacific Lutheran University. We are reaching out to you with an opportunity for your agency to support this conference through sponsorship.

ICSEW, backed by Executive Order 16-04, has a vision of enriching lives through advocacy, outreach, and opportunity. At the 2015 leadership conference, ICSEW hosted over 375 attendees, providing a full day of valuable training for mostly public sector employees, for just \$100 per person.

We ask that you encourage the attendance of your employees at this year's conference. It is a rare opportunity to receive such varied and valuable training from a wide array of presenters, for such a small registration fee. We appreciate your agency's support as we seek to better the lives of all state employees by empowering women to positively shape their lives and careers.

Additionally, this year's conference cannot be a success without the generous support of our partners like you. Please consider a show of support for ICSEW through additional sponsorship. Attached is a list of opportunities for your agency to join the excellent work to better the lives of state employed women.

For more information on ICSEW, and on sponsoring the 2016 conference, please contact me by June 15, 2016. Thank you in advance!

Sincerely,

Erika Summers
