

## State Jobs: create your profile and apply

Government Jobs – link: <https://www.governmentjobs.com/> OR <http://careers.wa.gov/>

*\*TIP: Use Chrome as your web browser – more features are available than with Internet Explorer*

- Click on “Create an account” (OR Log-in if you already have an account)
  - Email
  - Username
  - Password
  - Verify Password
  - Create
  
- Upper right-hand corner, click on your avatar/login, then “Profile”:

- If possible, import your resume or connect to LinkedIn.
  - This will make the next step go so much faster.
    - *NOTE: I didn't do this, but I noticed this feature when I was creating the 'how-to' create profile and apply.*
  
- Build your profile
  - Put your entire resume in without editing – as you do when submitting a 'paper' resume that is targeted to the job
  
- Follow each section and make edits as necessary.
  - Sections are:
    - Info
    - Work
    - Education
    - Additional
    - References
  
- Creating a base profile will make applying for multiple jobs much easier.
  - Once your base profile is created, you can now select a job to apply for.
  
- Select a job to apply for.
  - Your profile will be included.
    - Review to see if there are updates that need to be made, so that your application is job specific.

## **State Jobs: create your profile and apply**

- *(Continued) Select a job to apply for.*
  - Read the instructions.
    - This is important, not all job applications are the same.
  - Fill out all the information.
    - This includes the supplemental questionnaire or test that can be located at the end of the application.
  - Attach whatever you need to attach.
    - Include everything that is asked for.
      - *TIP: Make sure whatever you attach is in a PDF format.*
        - *This allows the recipient to view your materials in the way you created them.*
    - Resume, Cover Letter, References, etc.
      - Resume – if it’s specifically asked for, don’t rely on the careers.wa.gov profile resume to meet the need – ATTACH A COPY
      - Cover letter / Letter of Interest – “tell us how you meet the qualifications for the job” -- Make sure that you outline your ‘how you meet qualifications,’ it’ll get noticed if you don’t
