

Bio:

Brita Montes-Sanders is a healthcare provider and nurse practitioner. She has a passion for socialized medicine, where she has worked in various roles for over 20 years. Most recently, Brita is honored to serve female veterans of all ages at the American Lake Veterans Administration Woman's Clinic. Her health provider experience includes work with Indian Health Services, the United States Army, and the Colorado State prison system. She graduated from the University of Colorado with a Master of Nursing in 2008 and is nationally certified as a Family Nurse Practitioner through the American Academy of Nurse Practitioners (AANP). Brita grew up and currently lives in Washington State with her husband, two children, and cat.
